Dear Mr. Lummis:

Your letter to Judge Trippet received a few days since. I regret to inform you that my husband passed away last summer.

I am much interested in your songs and should be most happy to have two copies. Enclosed you will please find my check. Kindly note my new mailing address.

Yours truly,

Topanga, Cal.

Dear Mrs. Trippet:

You must indeed pardon me-- but you will not blame me when you know that I have been out of the world pretty much for nearly two years, and am only now coming back into partial usefulness. I have seen very little of the newspapers and have been in ignorance of many changes of local and worldwide importance. I am truly sorry to learn that your noble husband has passed on. He was a citizen we could illafford to spare.

I thank you for your subscription to the Songs and have mailed the two copies to your Topanga address. I feel sure you will agree with me that these Folksongs of Old California are well worth saving.

With high regard, I am,

Sincerely Yours,
